HOME SCREENING

We now offer the perfect solution to hiding unsightly areas of your home with our bespoke home screening. Our screens can include concealed entry gates for easy access. Our skilled craftsman can build your screen in any size or shape, powder coated in any colour or timber look finish. Made from durable aluminium means no rust or rot!

ELECTRIC GATES

Our aluminium gates are all custom-made allowing our customers the freedom of design whilst ensuring the perfect fit for your gateway. We now also offer electric gates (both mains wired and solar) for easy access. Our skilled team of professionals take great pride in their workmanship, ensuring that every gate is of the highest quality possible.

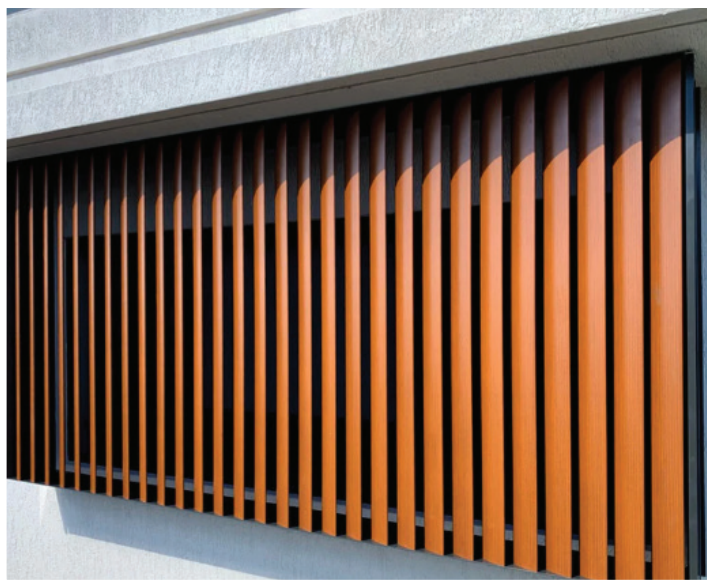

PLANTATION SHUTTERS

Our Shutters are made from durable aluminium and come in a range of finishes and colours to suit any decor. Not only do they look great, but they are also easy to clean and maintain. We offer both bi-fold or fixed shutters, set either inside or outside of the window frame.

BALUSTRADES AND HANDRAILS

Our range of balustrades are made from corrosion and flame-resistant materials that you can trust to stand the test of time. Whether you're looking for a balcony balustrade, decking balustrade or a simple balcony handrail, all our powder coated aluminium balustrades comply with Australian safety standards for your peace of mind.

FIXED LOUVRES

Our custom-built louvres allow you to control air-flow, provide shade and privacy, and reduce radiant heat for comfortable all-weather alfresco living. Corrosion-resistant, our louvres are made with powder coated aluminium for long-lasting colour and durability. Plus, our louvre panels can be customised to create the look you want - from vertical louvre screens with vertical fins to fixed, sliding, hinged, or bifold louvre panels, you'll find a fast, custom solution to your privacy needs.

PRIVACY SCREENS

Our batten privacy screens offer privacy in your home whilst not compromising on light. We custom make each screen to perfectly fit your windows, with a custom range of finishes and colours to suit any home design.
